TEMPLATE GUIDE

The Template Guide diagram illustrates which templates are needed for each area of the quilt block.

FABRIC PLACEMENT

The Fabric Placement diagram illustrates which fabrics will be used in each of those areas.

An eight-pointed star is added to the center of the block this month. Techniques from the previous months are continued: paper piecing, joining eight points and setting in a simple angle. Templates A/AR, B/BR, C and Foundation Parts 1 & 2 are reused from Month 5.

Directions- Template method.

1. Make templates.
2. Cut out fabric.

3. Because the center of this block has set-in seams, start and stop stitching at the seam

intersections along the outer edges of the eight pointed star. Not stitching into the seam allowance will allow for easier piecing at the pivot points along these seams.

4. Sew four identical units as shown.

Measures 11-3/4" sq.

5. Sew the units into two half blocks. Sew the half blocks together forming one Sea of Fertility block.

6. Sew the frame squares and rectangles together.

7. Sew a rectangle to each side of the block. Sew the square/rectangle strips to the top and bottom of the block.

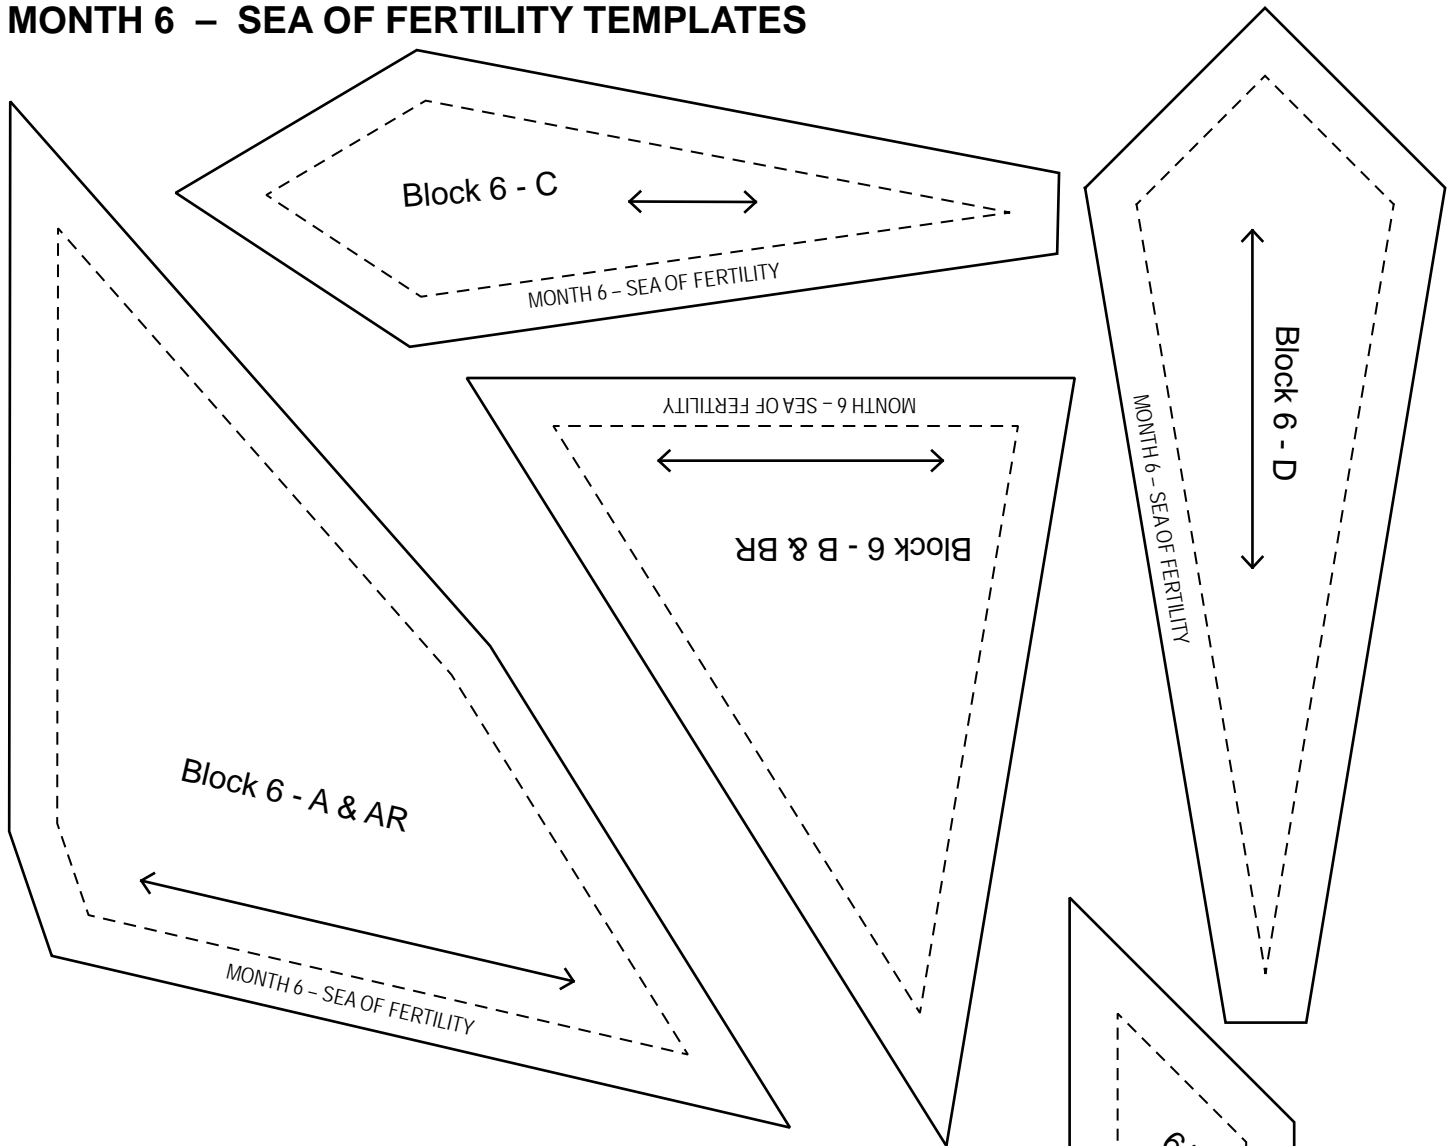

Make 2

Measures 14-1/4" sq.

MONTH 6 – SEA OF FERTILITY TEMPLATES

A & AR

- Fold in half, right sides together.
- Cut all pieces using A template; bottom half will be cut into AR pieces.

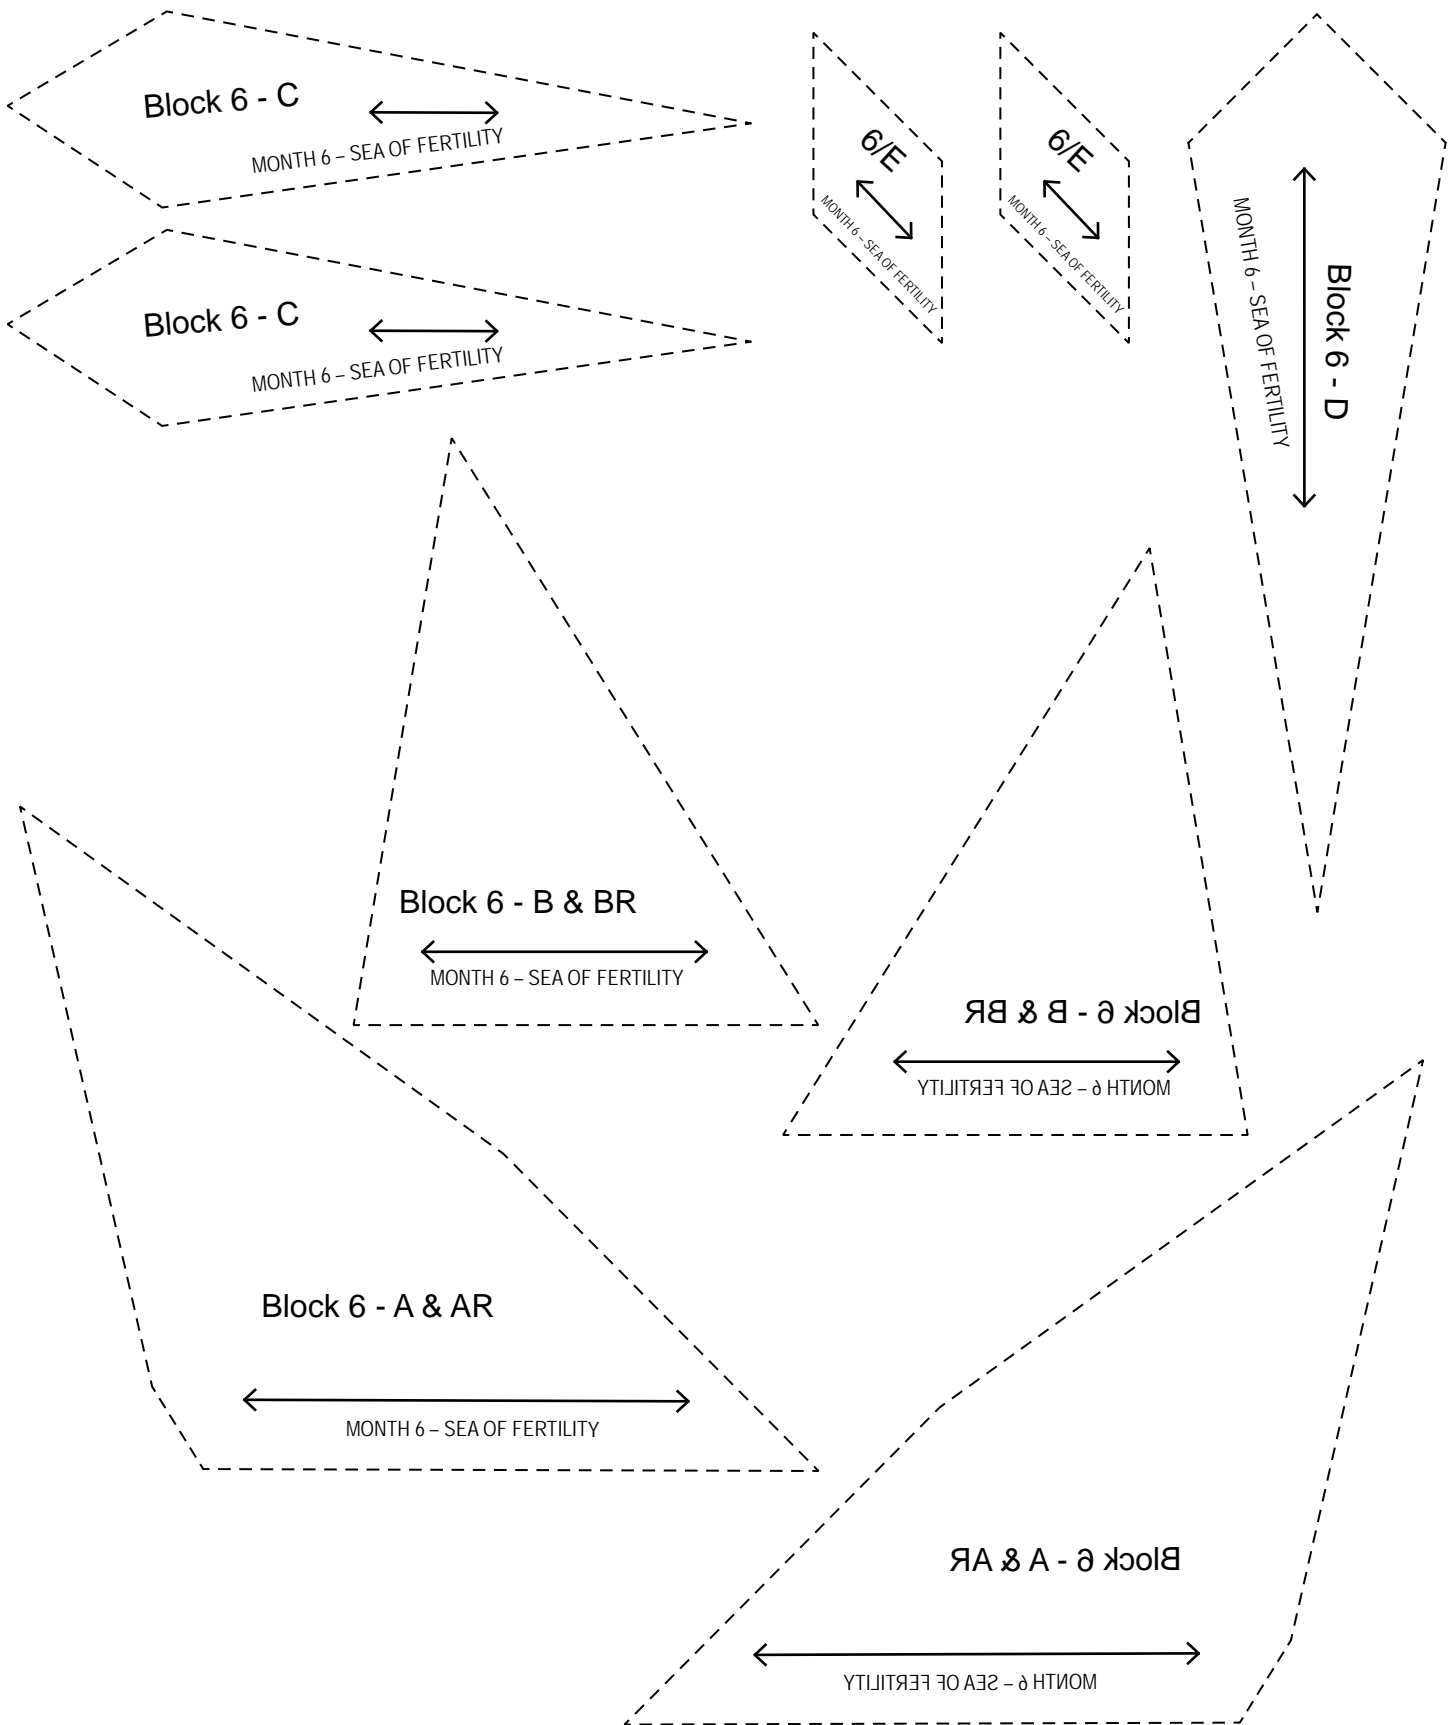

B & BR

- Fold in half, right sides together.
- Cut all pieces using A template; bottom half will be cut into BR pieces.

MONTH 6 – SEA OF FERTILITY FREEZER PAPER FOUNDATIONS

Print 4 copies of this page at 100% scale on the dull side of 8-1/2" x 11" freezer paper sheet or trace by hand.

MONTH 6- SEA OF FERTILITY FOUNDATION MASTERS

This block can be partially foundation pieced using these two foundation masters. Trace or copy 4 of each.

PRE-CUTTING GUIDE FOR FOUNDATIONS

Area	Fabric	Qty	Size	Template
Part 1 - 1	9410-14 - Black Eyelash (F-24)	4	4-3/8" x 5-1/4"	A
Part 1 - 2	8868-04 - Floral Vine, Jade (F-17)	4	1-7/8" x 4-3/4"	C
Part 1 - 3	9410-14 - Black Eyelash (F-24)	4	2-7/8" x 4-1/2"	B
Part 2 - 1	9410-14 - Black Eyelash (F-24)	4	4-3/8" x 5-1/4"	AR
Part 2 - 2	8868-04 - Floral Vine, Jade (F-17)	4	1-7/8" x 4-3/4"	C
Part 2 - 3	9410-14 - Black Eyelash (F-24)	4	2-7/8" x 4-1/2"	BR

If you prefer to work with shapes similar to the areas on the foundation, make templates as you would for hand and machine piecing. Add an additional 1/4" seam allowance around all sides to make foundation piecing easier. Template letter identifications are included in chart above.

Because of the angles involved in the shorter points, this month's block is a good lesson in hand piecing. Setting in of simple angles and a repeat of the lesson on sewing small points around an octagon are the main lessons.

Directions- Template method.

1. Make templates and/or foundations. Cut out fabric.

2. Sew four identical units as shown.

3. Because the center of this block has set-in seams, when sewing the small triangles onto the octagon, start and stop stitching at all seam intersections. Not stitching into the seam allowance will allow for easier piecing at the pivot points along these seams.

4. When attaching small triangles to the octagon, the side with the grain line arrow is the side onto which is sewn onto the octagon.

5. Sew the units into two half blocks. Press. Sew the half blocks together forming one Sea of Vapor block.

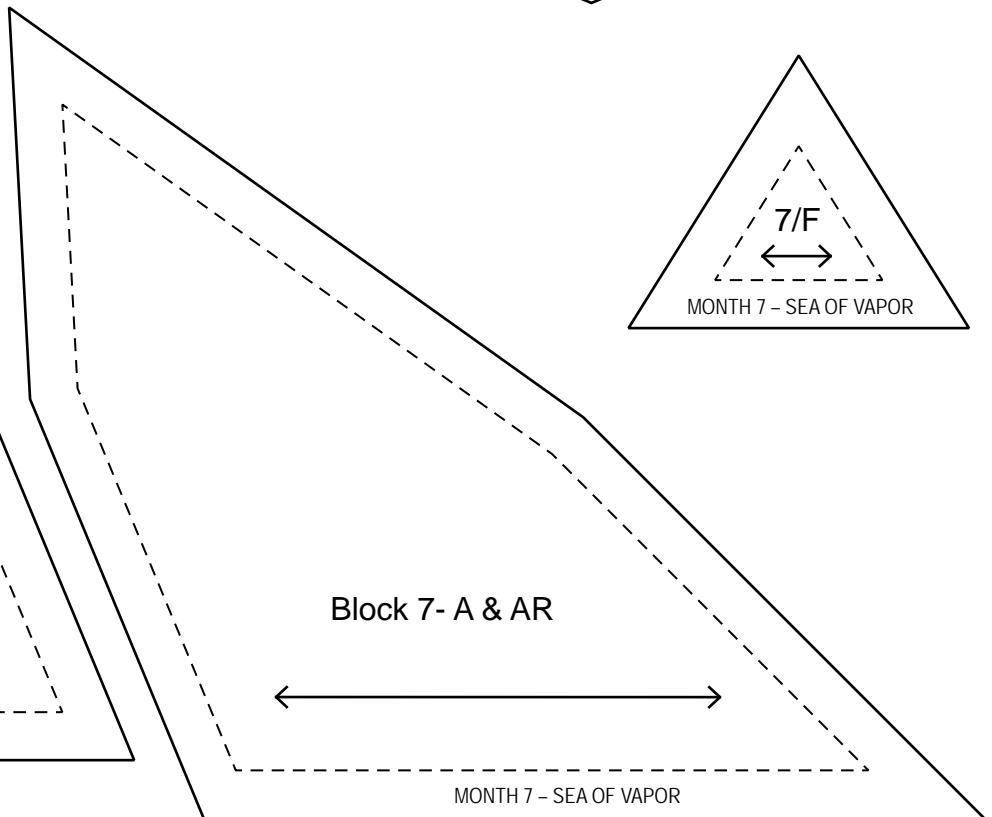

6. Sew the frame squares and rectangles together Press.

7. Sew a rectangle to each side of the block. Press. Sew the square/rectangle strips to the top and bottom of the block. Press.

MONTH 7 – SEA OF VAPOR TEMPLATES

FABRIC CUTTING USING TEMPLATES

A & AR

- Fold in half, right sides together.
- Cut all pieces using A template; bottom half will be cut into AR pieces.

B & BR

- Fold in half, right sides together.
- Cut all pieces using B template; bottom half will be cut into BR pieces.

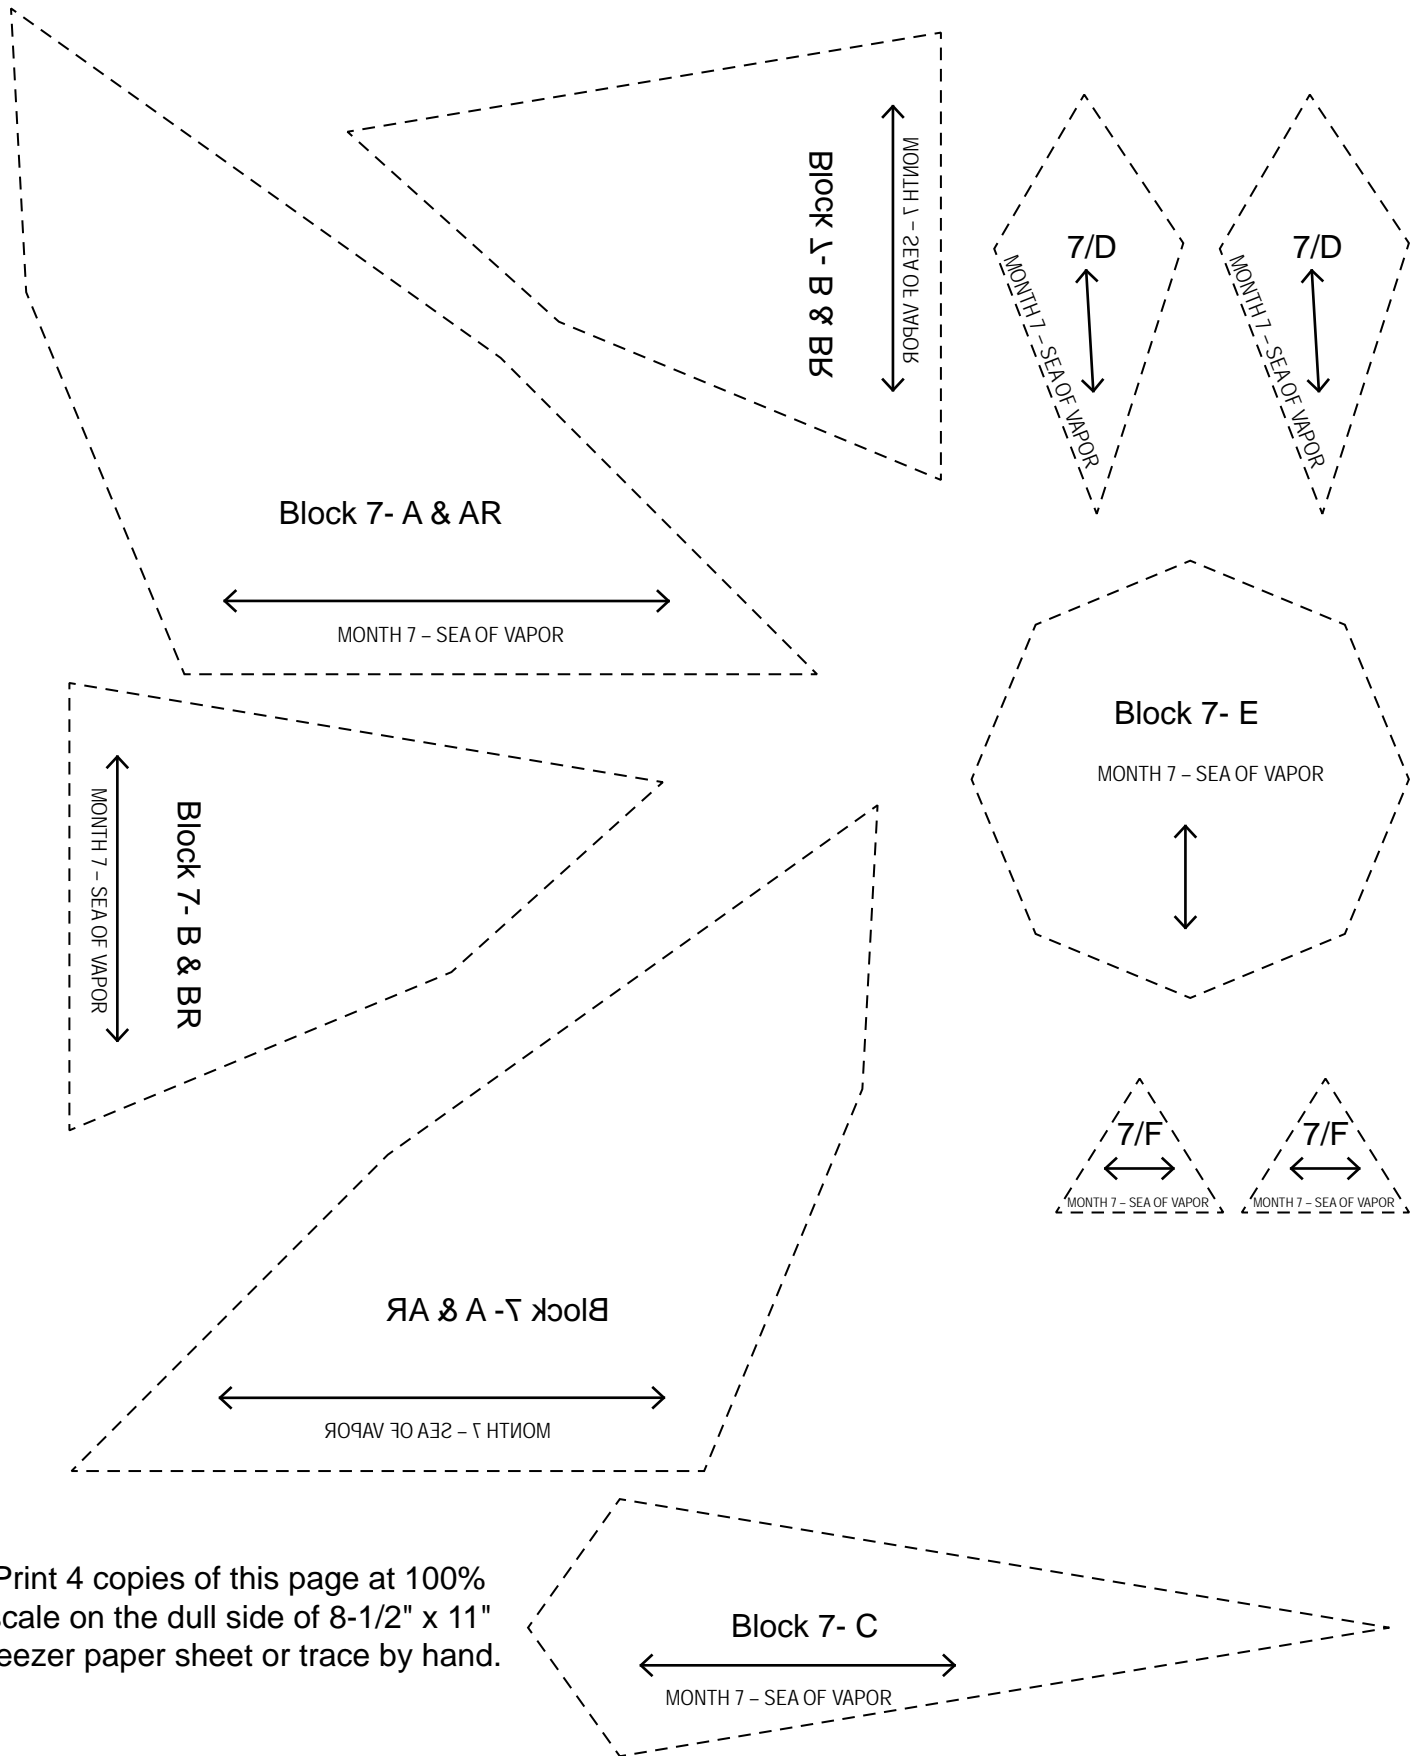

C

- Place both fabric pieces wrong sides up.

MONTH 7 – SEA OF VAPOR FREEZER PAPER FOUNDATIONS

Print 4 copies of this page at 100% scale on the dull side of 8-1/2" x 11" freezer paper sheet or trace by hand.

MONTH 7 – SEA OF VAPOR FOUNDATIONS

Print 4 copies of this page or trace 4 of each part 1 & 2. Vellum is the best paper to use.

Applique E into position after block has been constructed.

PRE-CUTTING GUIDE FOR FOUNDATIONS

If you prefer to work with shapes similar to the areas on the foundation, make templates as you would for hand and machine piecing. Add an additional 1/4" seam allowance around all sides to make foundation piecing easier.

TEMPLATE GUIDE

The Template Guide diagram illustrates which templates are needed for each area of the quilt block.

FABRIC PLACEMENT

The Fabric Placement diagram illustrates which fabrics will be used in each of those areas.

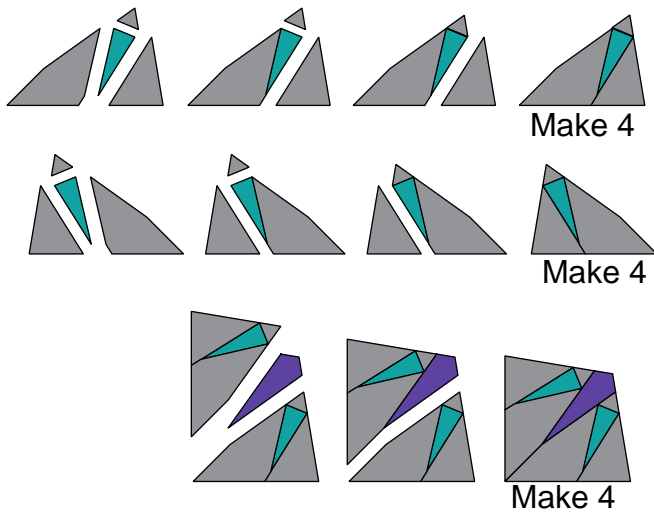

A slightly more complex compass block is made this month. Paper piecing makes this easy to construct and ensures accurate size. Templates A, AR and B, BR are reused from Month 6.

Directions- Template method.

1. Make templates.
2. Cut out fabric.
3. Sew the block center as shown. Press the seam allowances in the direction indicated by the arrows.
4. Sew four identical units as shown.
5. Sew the units into two half blocks. Press. Sew the half blocks together forming one Sea of Vapor block.

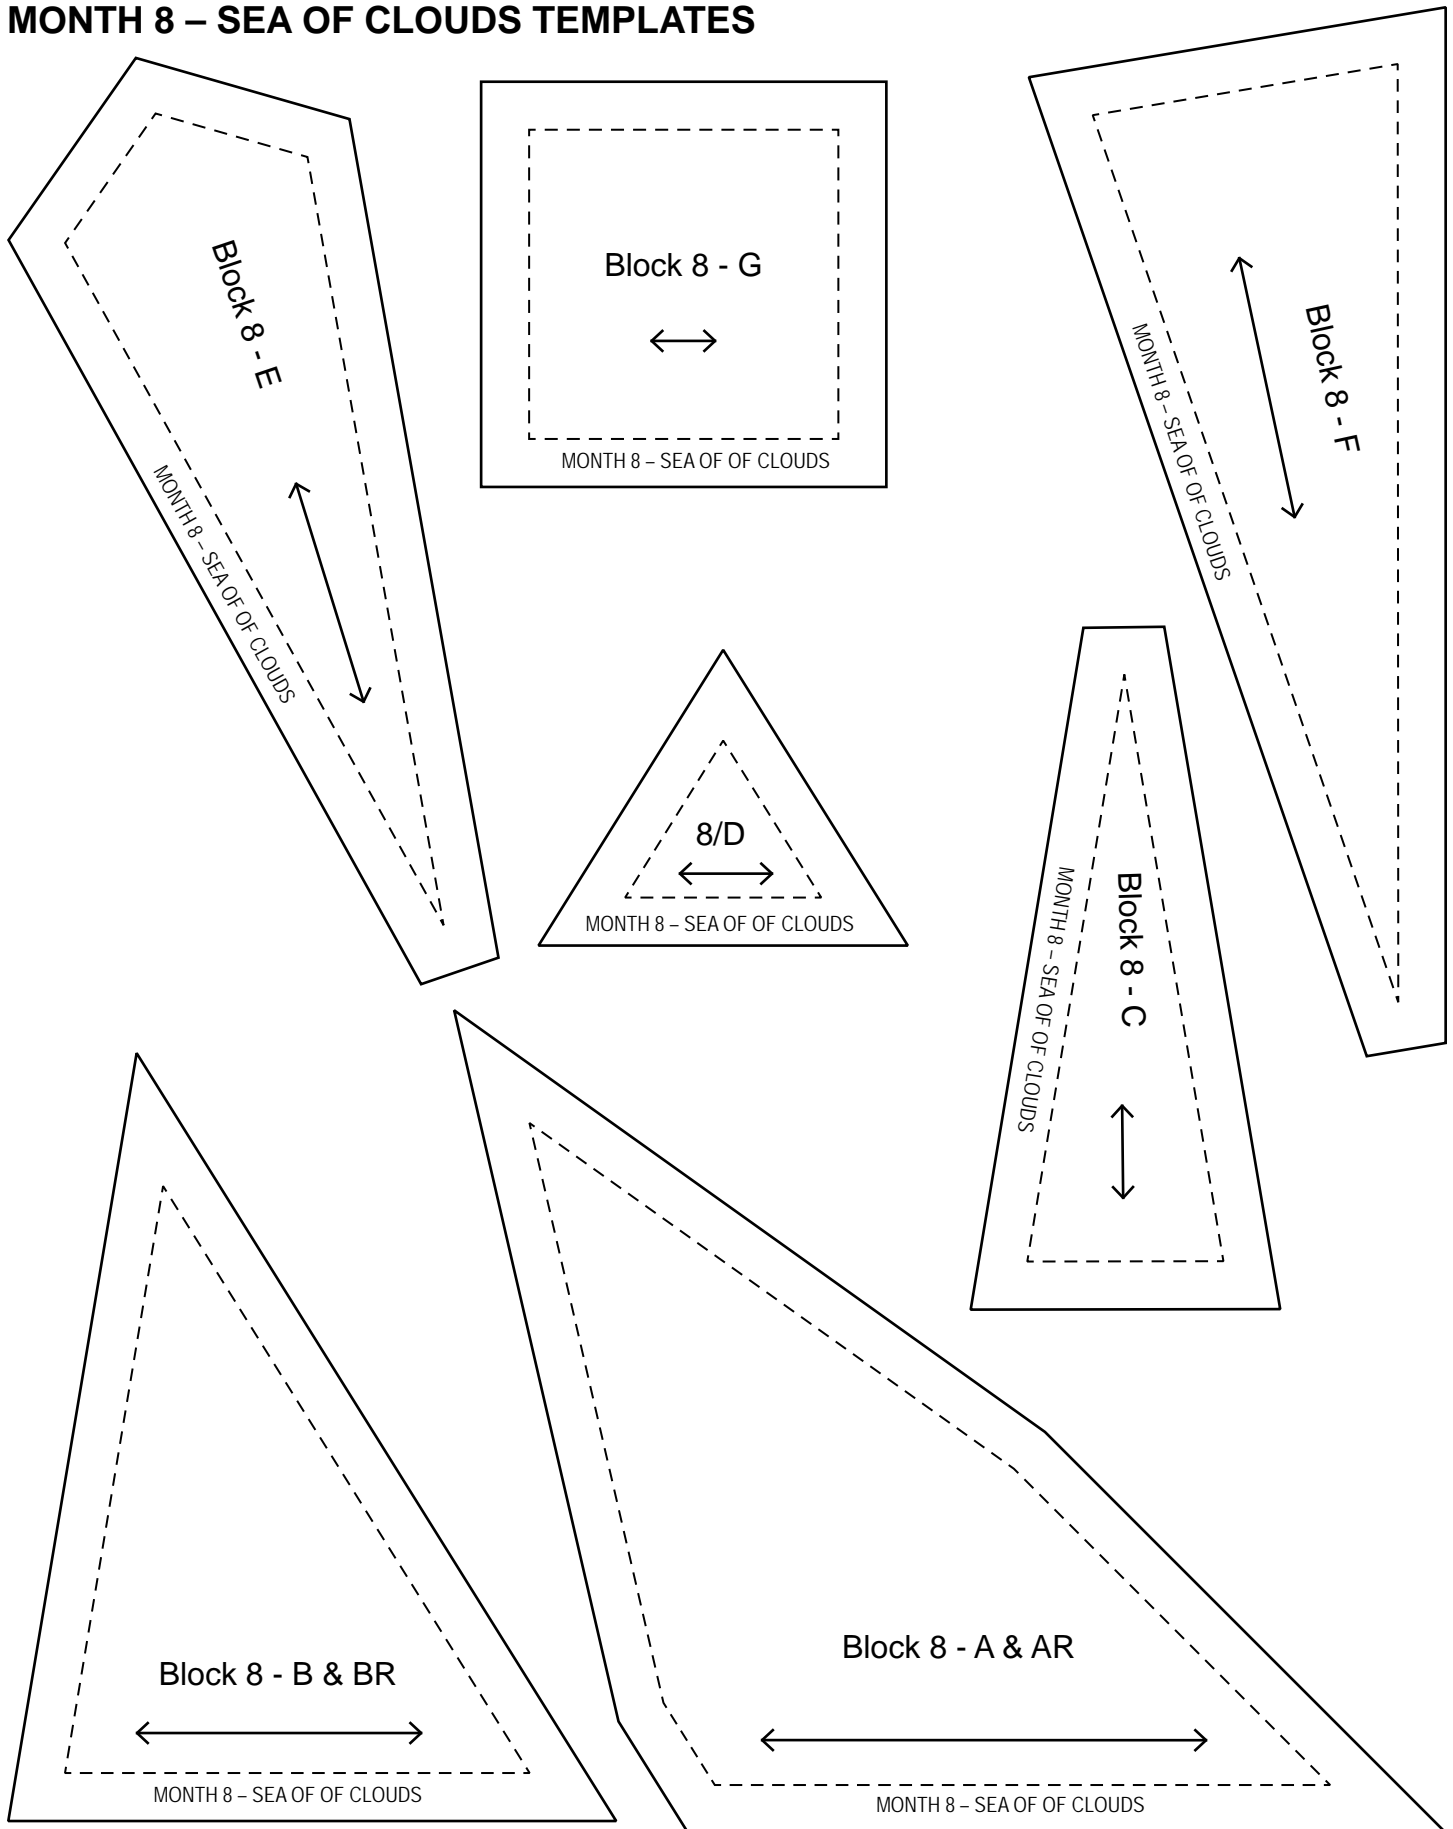

6. Because the center of this block has set-in seams, when joining them to the compass points, start and stop stitching at the seam intersections on the center square. Not stitching into the seam allowance will allow for easier piecing at the pivot points along these seams.

7. Sew the frame squares and rectangles together.
8. Sew a rectangle to each side of the block. Sew the square/rectangle strips to the top and bottom of the block.

MONTH 8 – SEA OF CLOUDS TEMPLATES

FABRIC CUTTING USING TEMPLATES

A & AR

- Fold in half, right sides together.
- Cut all pieces using A template; bottom half will be cut into AR pieces.

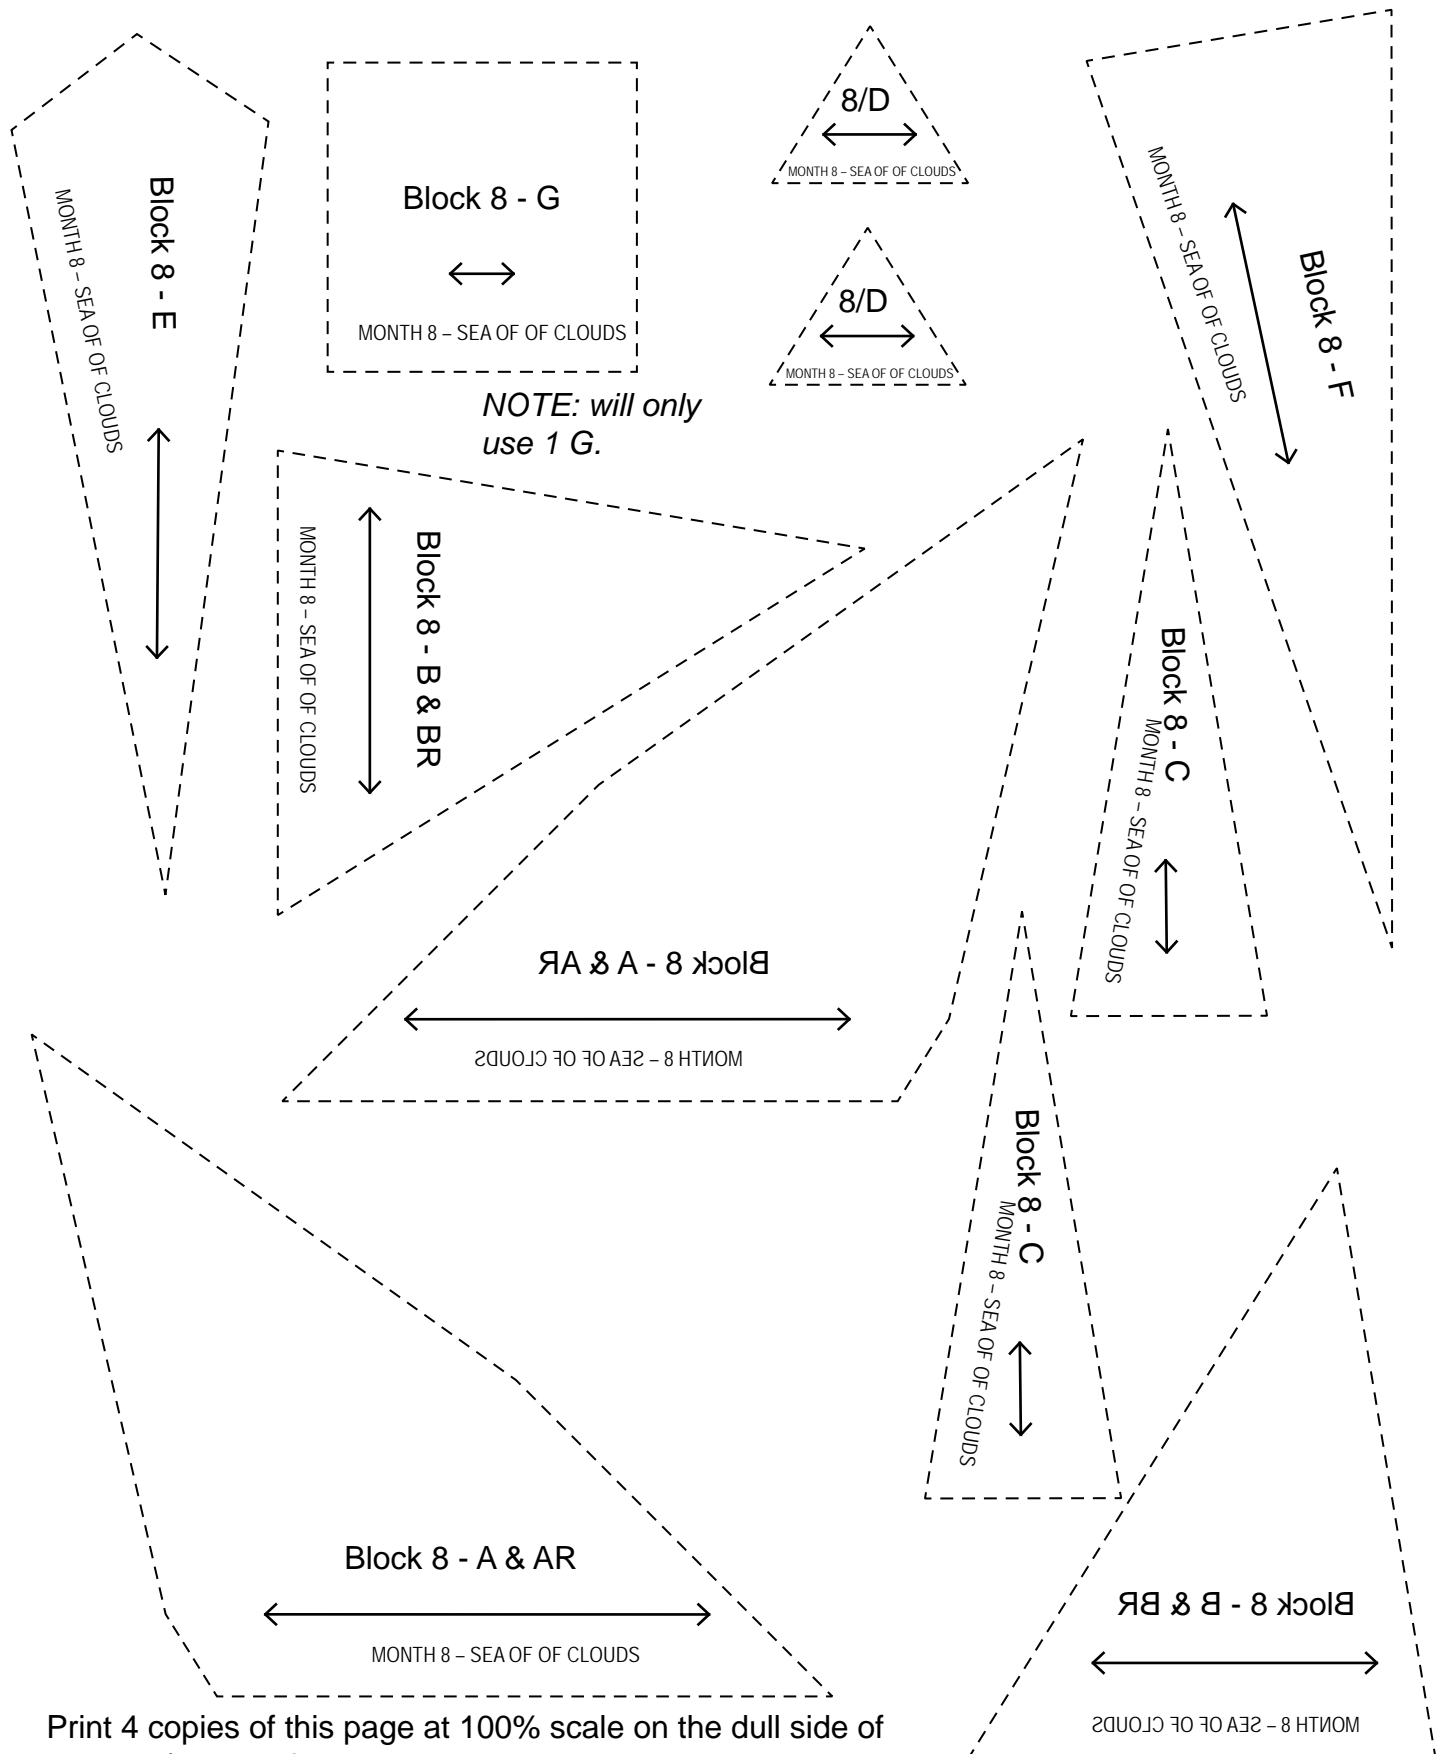

B & BR

- Fold in half, right sides together.
- Cut all pieces using B template; bottom half will be cut into BR pieces.
