

Twilight Sky

A Free Mini-Pattern featuring Jinny's Blazing Star Block

Cutting the Border Print

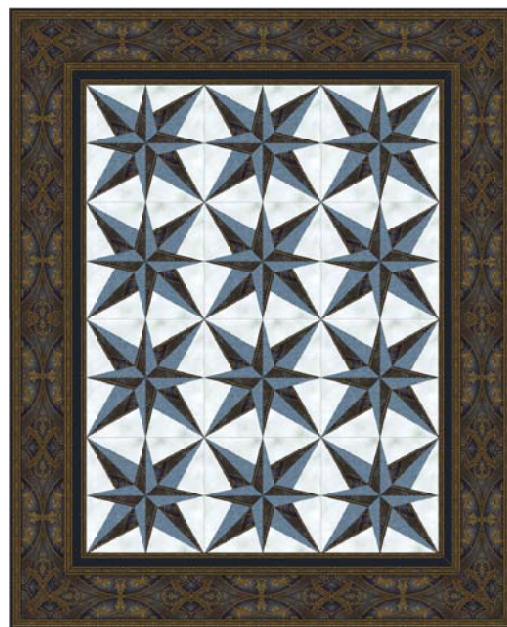

Jinny has worked out a way to give you the look of a triple border with just one piece of fabric!

The quilt's borders finish 6" wide. Each piece of border incorporates the wide border stripe, the dark blue solid stripe and half of the narrow border stripe. Careful cutting will ensure you have plenty of border print fabric left over for the blocks. When you're ready to put your borders on the quilt, refer to *Adding Borders the Jinny Beyer Way* for instructions on framing a rectangular quilt.

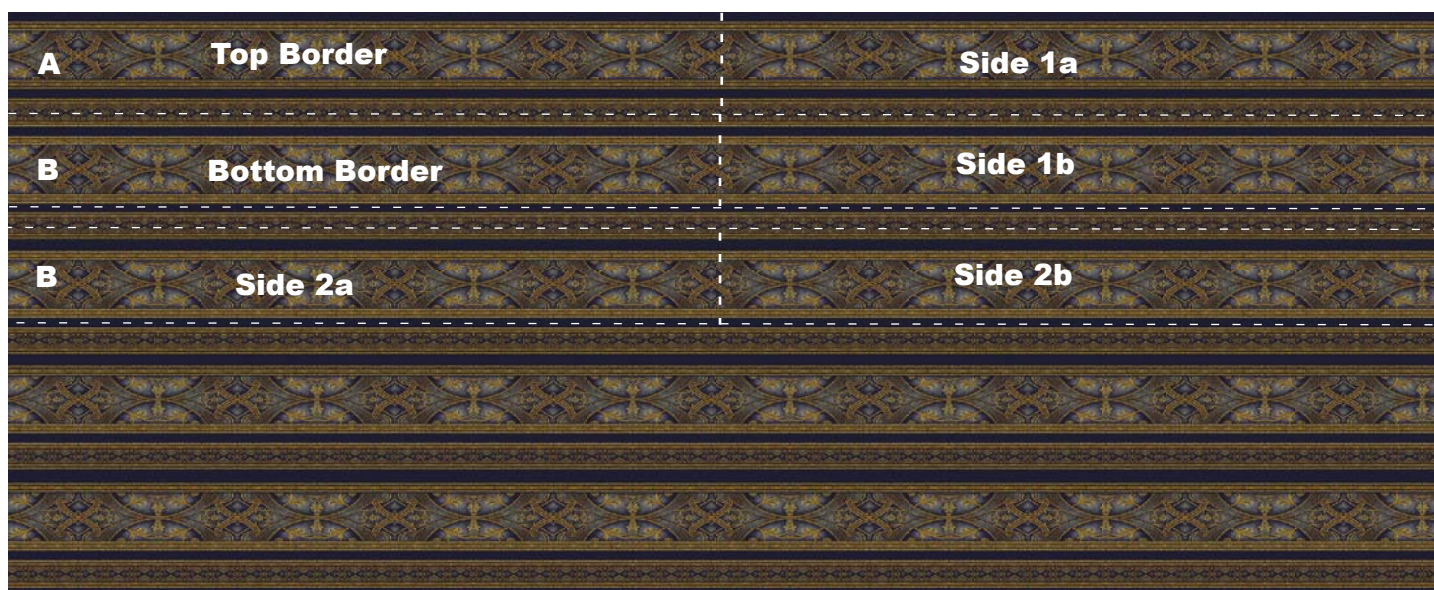

One selvedge of the fabric begins with a narrow stripe; the other begins with a wide stripe. **Make your cuts starting from the wide stripe edge**, as in the diagram below. Cut as follows:

Cut one strip (A) through the middle of the narrow stripe from the length of the fabric. Cut the next two strips (B) through the middle of the dark blue stripe. (The very narrow piece of fabric between the two B strips is waste.) Cut the three fabric strips in half crosswise.

Use the remaining border print for cutting pieces using Templates A & B. These pieces can be cut from different motifs on the border print, as long as you align the sewing line nearest the arrow on each template along a line from the border print. Be sure to cut four identical As and four identical Bs within the same block, but all the blocks do not need to be identical.

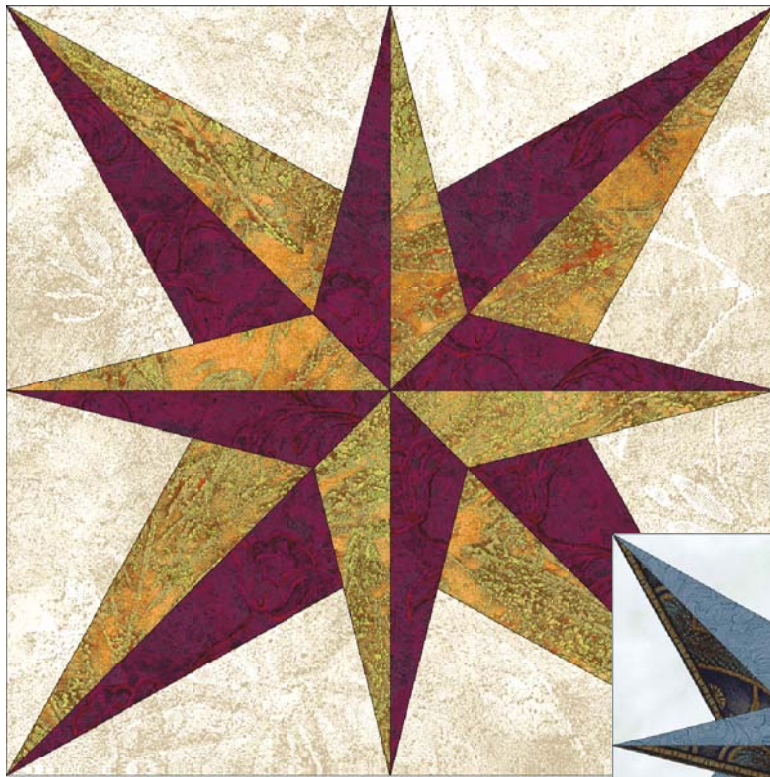

Twilight Sky Quilt (42" x 52")
Border Print (6783-21) - 2¾ yards
Fabric 1 (6783-21) - incl. above
Fabric 2 (4731-10) - ¾ yard
Fabric 3 (5993-4) - 1 yard
Binding (9410-14) - ½ yard

Template Guide

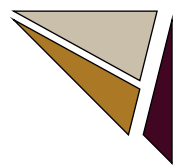

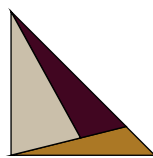

Fabric Placement

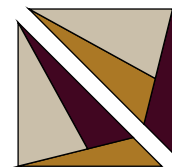

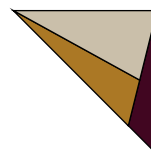

Blazing Star, Nancy Cabot, 1933. For more information on this block see *The Quilters' Album of Patchwork Patterns* by Jinny Beyer, published by Breckling Press, September 2009.

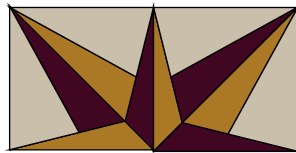

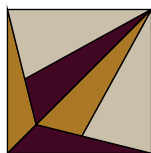

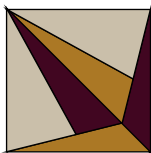

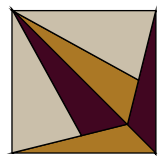

Make 4 for each block

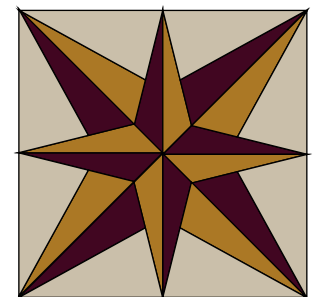

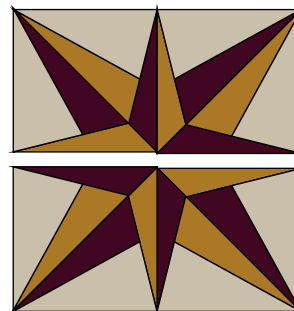

Make 4 for each block

Make 4 for each block

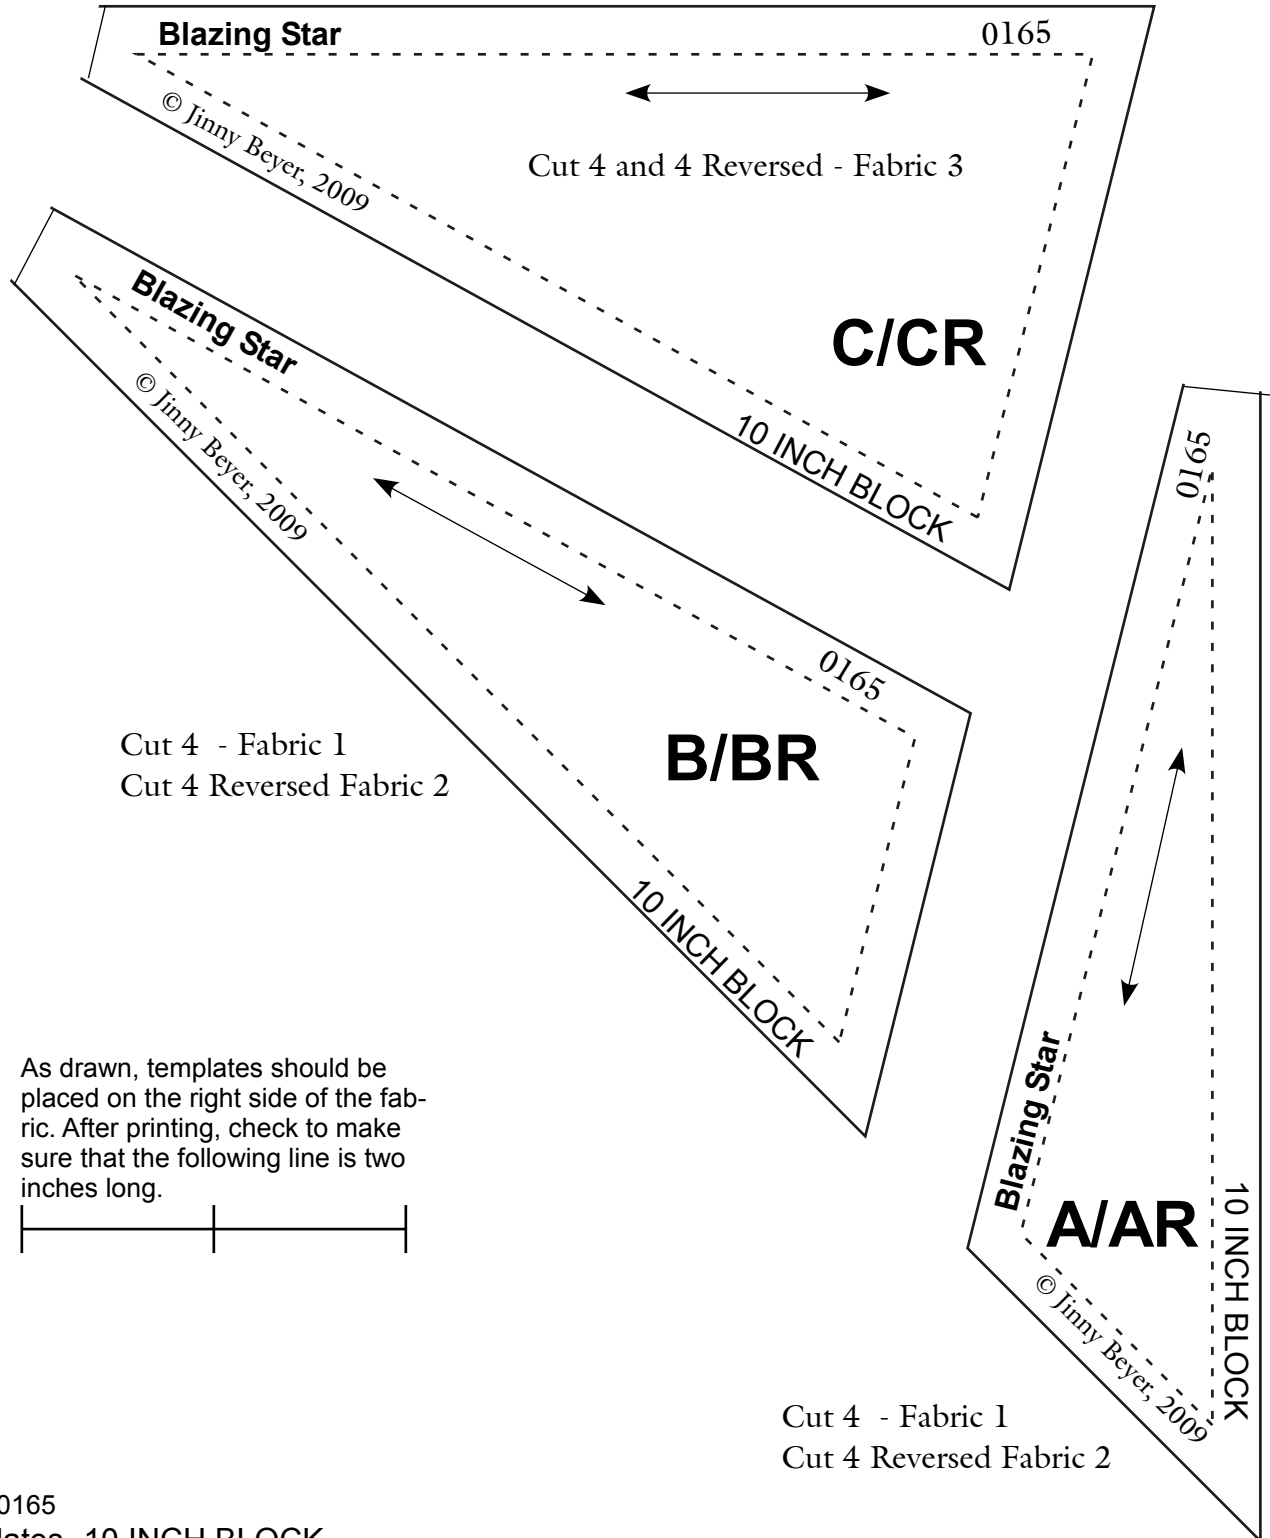

Make 2 for each block

The fabrics used in this block are from the Jinny Beyer Palette Fabric Collection and other Jinny Beyer prints. Exact duplication of the block will depend on the availability of the prints. The design of the pattern shown here is a 10" block. Different fabric placement will occur when making the block in one of the other two sizes.
